

# PRE-GRADUATE PROGRAM

2023 INTAKE

## ABOUT THE PROGRAM

Join the Out Loud team while you are still studying, as part of our Pre-Graduate Program. This style of internship allows you to build on your clinical and professional skills as a member of our team. You will work flexibly in the Bunbury clinic in a schedule that accommodates your university load and other life commitments.

## WHAT WE OFFER

- Casual paid contract as an Allied Health Assistant in line with the award
- Opportunities to support our families in 1:1 and group programs
- Mentoring by senior therapists to support your professional development
- Access to resources and internal professional learning opportunities
- Future employment opportunities post graduation

## ELIGIBILITY CRITERIA

- Open to any 3rd or 4th year student studying Occupational Therapy or Speech Pathology
  - Preference given to students who have family connections to Bunbury (or the South West) but we will consider students with a passion for rural health
- 

## ABOUT US

Out Loud Developmental Services is a paediatric multi-disciplinary practice providing therapy supports to private & NDIS clients. We have a team of Occupational Therapists, Speech Pathologists, Educators, Allied Health Assistants and Customer Support roles.

## APPLICATIONS

Applications close Friday 28th April 2023. To apply, email an Expression of Interest to the contact details below.
